Housing Authority of the City of Hagerstown

PUBLIC HOUSING DWELLING LEASE – PART II

A. Amounts due under the Lease and Procedures for Payment

1. Time and Place

Rent is due and payable in advance on the first (1st) day of each month. Rent statements are mailed to Tenants before the last day of the month for rent due the following month. Rent may be paid at any branch of the bank designated by the Housing Authority in the form of cash, personal check, cashier's check or money order. Rent may also be mailed to the Central Office: *Hagerstown Housing Authority, 35 West Baltimore Street, Hagerstown, Maryland 21740*, in the form of personal check, cashier's check or money order. The Rent Statement mailed must accompany all rent payments. Rent statements must be paid in full, unless adjusted by Landlord. The designated bank will only accept payment in full of the charges as they appear on the Rent Statement. Payments mailed to the Central Office that are less than the full amount of the current Rent Statement will be returned to Tenant. Payment may not be paid in person at the Central Office, except at move-in, or to pay the balance of rent and other charges in cases where an Agency has paid all or part of the rent to prevent an eviction, or when agreed to in writing as part of a legal proceeding.

In addition to payment as described above, Tenants of Potomac Towers and Walnut Towers may place the rent payment in the Rent Collection Boxes located at each site until the fifth (5th) day of each month. After the fifth (5th) day of the month, Tenants must pay rent at bank or mail payment to Central Office.

2. Grace Period, Late Rent Penalty, and Foreclosure of Right of Redemption

After the fifth (5th) day of the month, rent is considered late, and a late penalty in the amount of five percent (5%) of the contract rent is assessed. If Tenant fails to make rent payment before the sixth (6th) day of the month, a Notice to Tenant of Non Payment of Rent is mailed to the Tenant which advises the Tenant that their Lease will be terminated fourteen (14) days from the date of the Notice to the Tenant of Non Payment of Rent. During this fourteen (14) day period, the Housing Authority will file, in the District Court, Failure to Pay Rent – Landlord's Complaint for Repossession of Rented Property [also known as a Rent Suit] and seek a Judgment for Possession. During any twelve (12) month period, if the Tenant has three (3) Judgments of Possession entered against the Tenant, the Housing Authority, as part of the fourth (4th) action for Failure to Pay Rent filed during that same twelve (12) month period, will request the Foreclosure of the Right of Redemption. If granted, the Tenant will be evicted regardless of whether the Tenant pays the rent prior to the scheduled set out.

3. Other Payments Due under the Lease

Returned Check Fee. Any personal checks returned for Non-Sufficient funds or other reason will be assessed a \$25.00 fee. If more than two (2) personal checks have been returned at any time during the tenancy, no further personal checks will be accepted. Rent statements will be stamped "Cash Only" as formal notification to the bank not to accept any future personal checks. The bank will accept money orders or cashier's checks in addition to cash.

Debt Owed PHA or Section 8. Tenant is responsible for non-payment of prior dwelling unit expenses and non-payment can be grounds for eviction.

Duplicate or Adjusted Rent Statement Fee. A \$5.00 fee will be assessed to adjust and reprint a rent statement. Tenants who have lost the rent statement, will be assessed the \$5.00 fee for a duplicate statement. To request a duplicate or adjusted statement, Tenants must complete a *Request for a Duplicate Statement* form, which may be picked up at the Central Office. The Tenant may also request that a *Request for Duplicate Statement* be mailed to them. Upon receipt of the *Request for Duplicate Statement*, Landlord will prepare the adjusted or duplicate rent statement for pick up by Tenant on the next business day. Tenants will not be assessed the \$5.00 fee if the rent statement requires adjustment due to no fault of Tenant or if Tenant is appealing rent or other charges due under the Lease.

Attorney's Fees and Costs. In the event Landlord obtains the services of any attorney, and court action is instituted by Landlord in connection with any Breach of Lease by the Tenant or for any action brought against the Tenant or former Tenant for money damages, or for other litigation related to the tenancy, the Tenant agrees to pay reasonable attorney's fees awarded by the court and other costs, including court costs and costs of service of process.

Cost for Maintenance and Repair

Costs for maintenance or repair, beyond normal wear and tear, will be charged to the Tenant as specified in the *Schedule of Tenant Charges*. Tenants shall receive a copy of the *Schedule of Tenant Charges*, which is an exhibit to the Admission and Continued Occupancy Policy (ACOP), at initial lease-up. Payments for such charges are due and collectible no sooner than two (2) weeks after, the charges are incurred. The charges will appear on the Tenant's Rent Statement. The *Schedule of Tenant Charges* is subject to change during the term of this Lease following the proper posting in each Community and at the Central Office. Tenants are notified of posted changes through newsletter and/or website at www.hagerstownha.com and provided a 30-day comment period

Pet Fee A non-refundable Pet Fee of \$10.00 per month shall be charged to each unit, as designated in the Pet policy, where a registered dog or cat is housed. The Pet Fee is intended to cover reasonable operating costs of the Housing Authority related to cats and dogs and will not be applied to damage caused by a specifically identified pet. The charge will appear on the Tenant's Rent Statement. Tenants of Potomac and Walnut Towers are **exempt from paying** the \$10.00 per month Pet Fee.

B. Utilities and Equipment furnished by Landlord and Tenant and Charges for Excess Electric

The Landlord shall pay for the heat, hot water, water, sewer, and trash collection, and the Tenant shall pay the basic electric directly to the provider in the following Communities: Parkside Homes, Frederick Manor, and Douglass Court. The Tenant shall receive a Utility Allowance from the Landlord in accordance with *Utility Allowance Schedule*, which is an exhibit to the ACOP, and given to the Tenant at initial lease-up. The *Utility Allowance Schedule* is subject to change following proper posting. Tenant shall receive at least thirty (30) days written notice via public posting of any revised Utility Allowance along with any resultant changes in Tenant Rent.

For families who pay an income-based rent, the Landlord will reimburse the family if the allowance for Tenant paid utilities is greater than the family's total Tenant payment. This is

called a “utility reimbursement.” The Landlord will not pay a utility reimbursement or give a Utility Allowance to a family that has chosen to pay a flat rent.

The Landlord shall pay for the direct cost of all utilities in Potomac Towers North, Potomac Towers South, and Walnut Towers. In these Communities, where no individual meters exist, a charge shall be assessed for excess electric consumption due to the operation of Tenant supplied major appliances or Tenant supplied equipment as follows: televisions, air conditioners (for four (4) months – June – September), extra freezers or refrigerators in accordance with the *Utility Allowance Schedule*.

The Landlord shall pay the direct cost of all utilities, including water and sewer and trash collection at Noland Village and the Scattered Sites. In these Communities, where individual meters exist, Tenants shall pay to Landlord any excess cost over and above the Utility Allowance provided by Landlord. Any charge for excess utilities shall appear on the Tenant’s Rent Statement. Tenant shall receive a copy of the *Utility Allowance Schedule*, which is an exhibit to the ACOP, at initial lease-up. The *Utility Allowance Schedule* is subject to change following proper posting. Tenant shall receive at least thirty (30) days written notice of any revised Utility Allowance along with any resultant changes in Tenant Rent.

Landlord shall not be held responsible for failure to furnish utilities by reason of any cause beyond its control. Any failure by Tenant to pay individual utility bills shall be deemed by Landlord to be a substantial breach of a material term of this Lease.

Appliances. Landlord shall furnish the Range and Refrigerator.

C. RENTAL SECURITY DEPOSIT

Amount. Initially, the Security Deposit for Tenants will be based on the “flat rent” for the unit. The Security Deposit will be one (1) month’s rent. The Landlord may charge the flat rent amount, or the rent amount based on income, [see Paragraph D.2. Choice of Rent Based on Income or Flat Rent]. For households that elect to have the rent based on income, Security Deposit amount shall not be less than \$100.00 The Security Deposit is due the day the Lease is executed. If the total of the security deposit exceeds \$300.00, the Tenant may pay the security deposit in two (2) payments, with one half (1/2) of the security deposit due the day the Lease is signed and the balance due the first (1st) of the following month. The balance due for the security deposit will appear on the rent statement. The failure to pay the security deposit when due shall be deemed by Landlord to be a substantial breach of a material term of the Lease.

Bank Account. Within thirty (30) days after receipt, Landlord shall deposit the Security Deposit in an interest-bearing account or shall hold the security deposits in an insured certificate of deposit, in a federally insured Maryland bank or savings institution and that account shall be used solely for security deposits.

List of Existing Damages. Tenant has the right to have the dwelling unit inspected by Landlord, in the presence of Tenant, for the purpose of making a written list of damages that exist at the commencement of the tenancy if the Tenant so requests by certified mail within fifteen (15) days of the date of occupancy.

Return of Deposit. Within forty-five (45) days, after the end of tenancy, Landlord shall return to Tenant the security deposit minus any amount, which Landlord shall rightfully withhold. Simple interest of one and one half (1 1/2%) per year will be paid on security deposits of

\$50.00 or more and will accrue at six (6) month intervals from the day the security deposit was given. If the rate of simple interest is changed by Maryland legislature at any time in the future, the rate of simple interest set forth in the Maryland Law governing residential security deposits shall apply.

Withholding of Deposit. Upon the termination of the Lease, Landlord may withhold rental security deposit to offset unpaid rent and damage due to Breach of Lease or damage to the property (including the dwelling Unit, Common areas/Community and/or appliances) by tenant or the tenant's family, agents, employees, guests or invitees in excess of ordinary wear and tear. Tenant is required to give a minimum thirty (30) day written notice of the intent to vacate at the end of the initial twelve (12) month Lease term.

Right to Move-out Inspection. The Tenant has a right to be present at the time the Landlord inspects for damages provided that the Tenant give statutory notice by certified mail to the Landlord of his or her intention to vacate the dwelling Unit, the date on which this will occur, and his or her new address. This notice must be mailed at least fifteen (15) days prior to the date of moving. Upon the Tenants request for a move-out inspection, the Landlord will schedule and notify the Tenant by certified mail of the date and time the dwelling Unit will be inspected. This inspection will be conducted within five (5) days before or five (5) days after the moving date.

Notice to Tenant for Withholding Deposit. If Landlord withholds any part of the security deposit, within forty-five (45) days after termination of the tenancy, Landlord shall send by first class mail to Tenant's last known address, a written list of the damages claimed, and costs actually incurred.

Tenant Ejected or Evicted or Abandoning. Where Tenant has been evicted, or ejected for Breach of Lease, or has abandoned the dwelling Unit prior to termination of the Lease, the procedures for return of the security deposit are as follows: a) within forty-five (45) days after leaving dwelling Unit, Tenant shall send to Landlord, by first class mail a request for return of security deposit, and inform Landlord of Tenant's new address; b) within forty five (45) days of receipt of such notice, Landlord shall send to Tenant by first class mail a written list of the damages claimed together with a statement of the costs actually incurred and shall return to the Tenant the Security Deposit with simple interest of one and one-half percent (1½%) per year on security deposits of \$50.00 or more, accruing at six (6) month intervals from the day the security deposit was given, less any damages rightfully withheld. If the rate of simple interest is changed by Maryland legislature at any time in the future, the rate of simple interest set forth in the Maryland Law governing residential security deposits in effect at the time the security deposit is to be returned to Tenant shall apply. If Landlord fails to send the list of damages required and a statement of costs actually incurred, the right to withhold any part of the security deposit for damages is forfeited.

Landlord Liability. The failure of Landlord to comply with the security deposit law may result in Landlord being liable to Tenant for a penalty of up to three (3) times the security deposit plus reasonable attorney's fees.

D. REDETERMINATION OF RENT AND FAMILY COMPOSITION

1. Frequency of Regular Reexaminations. Once a year, or as otherwise determined by Landlord, Tenant agrees to attend a reexamination interview and to furnish a signed certification

containing accurate information regarding family income, employment, family composition, and other relevant information required by Landlord in determining rent, dwelling size and continued eligibility for assisted housing. Tenant agrees to provide any written documentation requested by Landlord relating to family composition, income, expenses, or any other information necessary for Landlord to determine Tenant's continued eligibility. The failure to attend a reexamination interview and to furnish the required certification and documentation shall be deemed by Landlord to be a substantial breach of a material term of this Lease.

2. Choice of Rent Based on Income or Flat Rent. Tenants will be offered the choice of the flat rent or a rent based on income at the enrollment interview and the annual reexamination. The flat rent is subject to change when Landlord notifies Tenant, based on a new analysis of the market value and after at least a thirty (30) day posting at the central office and community sites. Tenant may, at any time, request to be switched to a rent based on income if a family on a flat rent has a financial hardship as stated in the ACOP.
3. Minimum Rent Policy. (24 CFR 5.630) The Housing Authority has elected to charge a minimum rent of \$0.00 per month, however, this is subject to change at any time, following approval by the Housing Authority's Board of Commissions and postings in accordance with HUD regulations. **Minimum Rent: \$0.00 at this time.**
4. Interim Reexaminations. (As follows and as contained in the ACOP)

Increases in Income. The family must report any increase in income or change in family composition in writing within fourteen (14) calendar days. For increases of \$25.00 or more per week in gross income, an interim adjustment in rent will be effective the first (1st) day of the third (3rd) month following the *effective* date of the increase in income. Where a new family member with income is added to an existing household, the rent will increase the first (1st) day of the month following a thirty (30) day notice. The income of Live-in Aides will not be counted for purposes of calculating rent.

Decreases in Income. The family may report a decrease in income. If reporting a decrease, the family must report the decrease in writing by the last day of the month for an interim adjustment to be effective on the first (1st) of the following month.

Policy for 120% of AMI Over-Income Limit. (FR-5976-N-07 (Vol. 83 No. 144)) Any family that has exceeded 120% of the Area Median Income (AMI) (or a different limitation established by the Secretary) for two consecutive years shall be terminated from tenancy within 6 months of the 2nd year of exceeding 120% AMI. If the PHA discovers through annual or interim reexamination that the previously over-income family falls below 120% of AMI, the family is no longer subject to these provisions. The family is then entitled to a new 2-year over-income grace period. Excluded are those families currently participating in the Family Self-Sufficiency (FSS) or Earned Income Disallowance (EID) programs.

Policy for Addition of an Adult 18 years or older. In order to add a household member, (including live-in aides), the family must request that the new member be added to the Lease. Before adding the new member to the Lease, the individual must complete a Housing Application stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number, proof of identity, and verify their citizenship/eligible immigrant status. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal

review. If they are found to be eligible and do pass the screening criteria, their name will be added to the Lease. Live-in aides need not disclose their income and assets. . An additional adult household member may not move into the dwelling Unit until approved as eligible and is added to the Lease.

Policy for Addition to Household due to birth, adoption, child custody, or through the Foster Care Program. The family must report any additions to the household due to birth, adoption, child placement or custody, or through the Foster Care Program within fourteen (14) calendar days. Tenant must provide written verification such as a birth certificate, court order, letter from social services or government agency.

Policy for Move Out of a Family Member. The family must report if any family member no longer resides in the household within fourteen (14) calendar days. Staff may request written verification of the new address of the persons moving out of the household.

Changes in Family Expenses. The family may report any increase in medical, disability, or childcare expense. The Landlord will make an interim adjustment, if requested by the family, due to an expense that results in a decrease of the Total Tenant Payment. The resulting decrease in rent will be made the first (1st) of the month following the month in which the expense was reported.

Special Requirements for Temporary Cash Assistance (TCA) Recipients. Rents for recipients of TCA (welfare) benefits may not be lowered for families who are sanctioned by the Department of Social Services for not meeting the certification requirements. Such requirements include fraud, failure to participate in an economic self-sufficiency program, or failure to comply with a work activity requirement or other requirements established by the Department of Social Services. Families are eligible for reduced rent if the reduction is the result of the expiration of a lifetime time limit on receiving benefits or the family has complied with welfare requirements but cannot obtain employment. The Landlord will obtain written verification from the local Department of Social Services (D.S.S.) or other applicable agency.

5. Notification to Tenant of Change in Tenant Rent. When the Landlord increases the rent, the Landlord shall give at least a thirty (30) day advance written notice to Tenant. If Tenant does not agree with the determination, they have the right to request a hearing as provided by the Grievance Procedures.
6. Size of Dwelling. Tenant understands that Landlord assigns dwelling Units according to the Occupancy Standards published in the ACOP. If the Tenant is or becomes eligible for a different type or size dwelling Unit and an appropriate dwelling Unit becomes available, the Tenant shall be given advanced notice of the date of anticipated availability and shall be given five (5) days to move. Failure to comply with five (5) day moving period could result in termination of lease.
7. Transfer Policy. Tenant may request to transfer, or Landlord may require a transfer in accordance with the Transfer Policy, which is contained in the ACOP and an Exhibit to this Lease. Refusal of an offer of transfer will result in removal from the transfer list for voluntary transfers, with the opportunity to reapply after a six (6) month period from date of refusal. The Tenant will not be entitled to grievance rights when removed from the transfer list for refusing to move if Tenant has voluntarily requested the transfer. Refusal of transfer at request of Landlord is considered a substantial breach of a material term of this Lease may

result in termination of the Lease and, as a result, the Tenant will be entitled to grievance rights. Over-housed Tenants (as defined in the Transfer Policy in attached Exhibit C) must transfer to a Unit with the proper number of bedrooms when notified by the Landlord that a Unit of the proper size is available. Under-housed Tenants (as defined in the Transfer Policy) must transfer to a Unit with the proper number of bedrooms when notified by the Landlord that a Unit of the proper size is available. Tenants shall bear their own moving costs associated with transfers, regardless of whether the transfers are at the request of Tenant or at the request of Landlord. An exception may be made for the cost of displacement of Tenants due to demolition, sale or acquisition, or rehabilitation of a unit.

8. Community Service and Family Self-Sufficiency. Each adult member of the household who is eighteen (18) years or older and who does not work at least thirty (30) hours per week as set forth in the ACOP and Exhibit B to the Lease, agrees, as a condition of continued occupancy, to contribute eight (8) hours per month of community service or to participate in an economic self-sufficiency program unless exempt from this requirement. Specific exemptions and eligibility criteria are outlined in the Community Service and Family Self-Sufficiency Requirements contained in the ACOP and as an Exhibit to this Lease.
9. Welfare Program Requirements. (24 CFR 5.603 and 5.615) Tenants may not have their rent reduced for failure to comply with welfare program requirements. Such requirements include fraud, failure to participate in an economic self-sufficiency program, or failure to comply with a work activity requirement. Tenants are eligible for reduced rent if the reduction is the result of the expiration of a lifetime time limit on receiving benefits or the family has complied with welfare requirements but cannot obtain employment. The Landlord will obtain written verification from the local Department of Social Services or another applicable agency.
10. Disallowance of Earned Income. (24 CFR 960.255) During the first twelve (12) months after commencement of employment of a family member, the Landlord disallows the incremental increase in a family member's income as a result of employment. In the second twelve (12) month period, the Landlord disallows fifty percent (50%) of the incremental increase. The amount of the incremental increase in income is calculated by comparing the amount of the family member's income before the beginning of qualifying employment to the amount of such income after beginning the employment. It is this amount that is subject to being disregarded.
 - a) The family may receive the disallowance only as follows:
 - (1) Disallowance is limited to one (1) twenty-four consecutive (24) month period from the beginning of the first (1st) month after commencement of qualifying employment of an individual family member.
 - (2) During this twenty-four (24) month period, for a maximum of twelve (12) months, the incremental increase is disregarded, and for a maximum of the second twelve (12) months, fifty percent (50%) of the incremental increase is disregarded.
 - (3) If the period of increased income does not last for twelve (12) consecutive months, however, each qualifying family member is only entitled to a total of twelve (12) months of each disallowance.
 - b) Definitions: The following definitions apply for purposes of this section (24 CFR 960.255)
 - (1) Disallowance - Exclusion from annual income

- (2) Previously unemployed includes a person who has earned, in the twelve (12) months previous to employment, no more than would be received for ten (10) hours of work per week for fifty (50) weeks at the established minimum wage.
- (3) Qualified family - A family residing in public housing:
 - (a) Whose annual income increases as a result of employment of a family member who was unemployed for one (1) or more years previous to employment;
 - (b) Whose annual income increases as a result of increased earnings by a family member during participation in any economic self-sufficiency or other job training program; or
 - (c) Whose annual income increases, as a result of new employment or increased earnings of a family member, during or within six (6) months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of title IV of the Social Security Act, as determined by the Landlord in consultation with the local agencies administering temporary assistance program. These programs are not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance – provided that the total amount over a six (6) month period is at least \$500.

11. Family Disclosure of HUD Notice Concerning Family Income. (24 CFR 5.240) A family must promptly furnish to the Landlord any letter from HUD concerning the amount or verification of family income. The Landlord must verify the information received from the family and make appropriate adjustments in the amount of income and rent.

12. Excess Rental Assistance. The Landlord will also pursue former Tenants for abuses regarding excess rental assistance, such as reporting the deficiency of payments to credit bureaus or pursue collection through the court system in order to recover such amounts.

E. TENANT’S RIGHT TO USE AND OCCUPANCY

1. Use of Residence. The Tenant shall have the right to the exclusive use and occupancy of the Residence as a private dwelling. The Residence shall be used only for residential purposes. The Residence shall be the sole and exclusive dwelling Unit of the Tenant and any and all Household Members. No Tenant or Household Member may maintain another residence while this Lease is in force. The Unit must be the principle place of residence for the duration of the lease. The Tenant shall not, in whole or in part, assign this Lease, or sublet or transfer possession of any part or all of the Residence. The Tenant shall not give accommodations to boarders or lodgers. Tenants may provide reasonable accommodations for their guests and visitors, but shall promptly obtain Management’s written approval for the presence of any such person

2. Legal Profit-Making Activities. The Tenant or members of Tenant’s Household may engage in legal profit-making activities at the dwelling Unit only with the written consent of Landlord. Any legal profit-making activities must be incidental to the primary use of the dwelling Unit as a residence. If Tenant receives written approval from Landlord to conduct the business, the business conducted at the Dwelling Unit may not infringe on the rights of other Tenants. Additionally, all such business-related uses of the Dwelling Unit must meet all zoning requirements and the Tenant must have proper business licenses. The sale of firearms

on Housing Authority property as a profit-making activity is prohibited. Such activity shall be deemed to be a substantial breach of a material term of the Lease and will result in termination of the Lease.

3. Policy for Live-in Aides. With the consent of the Landlord, a live-in aide may reside in the Unit after passing initial eligibility screening. Live-in-aides must abide by all provisions of the Lease. A live-in aide means a person who resides on a full-time basis with an elderly, near elderly, or disabled person and who: a) is determined to be essential to the care and well-being of the person; b) is not obligated for the support of the person; c) would not be living in the Unit except to provide the necessary supportive services; and d) no survivorship rights to unit if the person requiring aid vacates the unit for any reason, must immediately vacate the unit as well
4. Abandonment of Unit. Upon the abandonment of the Dwelling Unit, the Tenant appoints Landlord and/or Landlord's employees, as Tenant's agent, to remove all personal property of whatever nature, including furniture and equipment left in or about the Dwelling Unit. See also Lease Part II, G.4 and the ACOP.
5. Parking Rules. Parking areas are to be used for licensed motor vehicles only. Due to limited space, other vehicles such as boats, trailers, and unlicensed vehicles are subject to towing at owner's risk and expense. Parking and/or driving are not permitted on the grass or Common Areas. No vehicle washing, greasing, changing oil, or major repairs to vehicles on streets or in parking areas are permitted. Tenant shall not place vehicle on a jack or jack stand except to change a flat tire. Tenant shall not leave vehicles unattended while on a jack. Tenant shall not place vehicle on ramps at any time. Tenants in Communities with designated parking lots must obtain a vehicle permit for each vehicle from the Central Office. Vehicles without permits are subject to being towed at owner's risk and expense. Visitors must park in designated visitor spaces and not use Tenant's parking spaces. See also the ACOP and the Parking Policy attached as an Exhibit to this Lease.

F. LANDLORD OBLIGATIONS-Landlord shall be obligated:

1. To maintain the dwelling Unit and the Community in a decent, safe and sanitary condition.
2. To comply with the requirement of applicable building codes, housing codes, and HUD regulations materially affecting health and safety.
3. To make necessary repairs to the dwelling Unit.
4. To keep Community building, facilities and Common Areas, not otherwise assigned to Tenant for maintenance and upkeep, in a clean and safe condition.
5. To maintain in good and safe working order and condition, electrical, plumbing, sanitary, heating, ventilating, and other facilities and appliances, including elevators supplied or required to be supplied by Landlord.
6. To provide and maintain appropriate receptacles, facilities, and services (except containers for the exclusive use of an individual Tenant family) for the deposit of ashes, garbage, rubbish, and other waste removed from the premise by Tenant as required by this Lease, and to provide disposal service for garbage, rubbish and other solid waste.

7. To supply running water and reasonable amounts of hot water and reasonable amounts of heat at appropriate times according to local custom and usage; except where the building that includes the dwelling Unit is not required by law to be equipped for that purpose, or where heat or hot water is generated by an installation within exclusive control of Tenant and supplied by a direct utility connection.
8. To notify Tenant of the specific grounds for any proposed adverse action by Landlord. (Such adverse actions include, but are not limited to, a proposed Lease termination, transfer of Tenant to another unit, or imposition of charges for maintenance and repair, or for excess consumption of utilities.) When Landlord is required to afford Tenant the opportunity for a hearing under Landlord's grievance procedure for a grievance concerning the proposed adverse action, the Notice of the proposed adverse action shall inform Tenant of the right to request such hearing. In the case of Lease termination, the Notice of Lease Termination shall constitute adequate notice of proposed adverse action. In the case of a proposed adverse action, other than a proposed Lease termination, Landlord shall not take the proposed action until the time for the Tenant to request a grievance hearing has expired and (if hearing was timely requested by the Tenant) the grievance process has been completed.
9. To provide reasonable accommodation in Lease and other policy requirements when requested by a qualified Tenant with disabilities. The concept of reasonable accommodation involves helping a Tenant meet essential Lease requirements; it does not require the lowering or waiving of essential requirements. Accommodations are not reasonable if they require a fundamental alteration in the nature of the program or impose undue financial and administrative burdens on the Landlord.

G. TENANT OBLIGATIONS - The Tenant obligations set forth below are considered material terms of the Lease and the failure to comply shall be considered a substantial violation of a material term of the Lease and warranting eviction.

Tenant shall be obligated:

1. Not to assign the Lease, nor sublease the dwelling unit.

CDS VIOLATIONS/GOOD SAMARITAN LAW

The State of MD has promulgated laws protecting people seeking help for victims who overdose on drugs or alcohol. That law, known as the "Good Samaritan Act," provides that "a person, who in good faith, seeks, provides, or assists with the provision of medical assistance for a person experiencing a medical emergency after ingesting or using alcohol or drugs shall be immune from criminal prosecution...if the evidence was obtained solely as a result of the person's seeking, providing or assisting with the provision of medical care."

The law also provides immunity from several violations if the evidence against the patient/victim was obtained solely "as a result of another person's seeking medical assistance."

Notwithstanding the fact that persons cannot be criminally prosecuted under these circumstances, activity involving the use of illegal drugs is a violation of the lease for which a tenant can be evicted.

- c) Any criminal activity that results in a felony conviction of a household member.
 - d) Hosting of persons listed on Housing Authority No Trespass list. This No Trespass list is available at the Central Office and on the Housing Authority web site [www.hagerstownha.com] and Tenants are responsible for reviewing. The No Trespass list will be updated as names are added and/or removed.

However, the policy does not apply to animals that are used to assist persons with disabilities, except for reasonable health and safety rules, including the behavior of the assistive animal. In order to qualify as an animal that is used to assist a person with a disability, that animal must be needed to assist the person with that specific disability and actually be used to assist the person.
16. To not commit any fraud in connection with any Federal housing assistance program, and not to receive assistance for occupancy of any other Unit assisted under any Federal housing assistance program during the term of the Lease.

Notwithstanding the foregoing, no abatement of rent shall occur if the Tenant rejects the alternative accommodation or if the damage was caused by the Tenant, members of Tenant's household, guests, persons under Tenant's control, or pets/animals. If Landlord determines that the dwelling Unit is uninhabitable because of imminent danger to the life, health, and safety of Tenant and alternative accommodations are refused by Tenant, the Lease shall be terminated in accordance with State law, and any rent paid, minus any appropriate charges, will be refunded to Tenant.
5. Landlord is not responsible for damage to the property/furnishings of Tenant resulting from the unforeseeable failure of building systems, acts of God, weather, etc. Examples include water damage from broken pipes, roof leaks, flooding, or fire.

(B) Any drug-related criminal activity on or off the Housing Authority property.

Landlord will refuse to renew this Lease and terminate the Lease at the end of the twelve (12) month term if there is a failure of a family member to comply with the Community Service requirement provision of Paragraph G, 19 and Community Service Exhibit of this Lease

2. Written Notice of Lease Termination: Landlord shall give written notice of Lease termination of:

- a) Fourteen (14) calendar days in the case of failure to pay rent;

3. Contents of Notice of Lease Termination. Notice shall state specific grounds for termination and shall inform the Tenant of the Tenant's right to make such reply as the Tenant may wish. The notice shall also inform the Tenant of their right to examine Landlord documents directly relevant to the termination or eviction. The Tenant shall be provided a copy of any such documents from the Tenant's file at the Tenant's expense. When Landlord is required to afford the Tenant the opportunity for a grievance hearing, the notice shall also inform the Tenant of the Tenant's right to request a hearing in accordance with Landlord's Grievance Procedure. The Grievance Procedures are posted at the Central Office and at each Community Building and are contained in detail in the ACOP and an Exhibit of this Lease. The Notice of Lease Termination required by State/local law may be combined with Federal requirements or run concurrently with other Lease termination notice(s).

4. Grievance Procedure Information. When Landlord is required to afford the Tenant the opportunity for a hearing under Landlord's Grievance Procedure for a grievance concerning the Lease termination, the tenancy shall not terminate until the time for the Tenant to request a grievance hearing has expired, and (if a hearing was timely requested by the Tenant) the grievance process has been completed. Any informal grievance shall be presented either in writing or orally to the Landlords Central Office at 35 West Baltimore Street, Hagerstown, Maryland, within ten (10) days after the date of the occurrence giving rise to the grievance. Maintenance grievances may be requested either orally or in writing to the Maintenance Department within ten (10) days after the date of the occurrence giving rise to the grievance. If the complainant is not satisfied with the results of the informal conference, the complainant shall submit a written request for a formal grievance hearing no later than ten (10) days from the date set forth on the summary of the results of the informal conference. The Hearing Officer shall prepare a written decision, within ten (10) days after the hearing.

- a) State that the Tenant is not entitled to a grievance hearing on the termination.
- b) Specify the judicial eviction procedure to be used by Landlord for eviction of the Tenant, and state that the U. S. S. Department of Housing and Urban Development regulations.

- c) State whether the eviction is for a criminal activity or for a drug-related criminal activity.
5. How Tenant is Evicted. Landlord may evict the Tenant from the dwelling Unit only by bringing court action and complying with the State of Maryland statutory eviction requirements, unless Federal Statutes or regulations permit otherwise.
 6. Eviction for Certain Activity. Landlord has the discretion to consider circumstances in deciding to evict for any activity that threatens the health, safety or right to peaceful enjoyment by other Tenants or staff/employees/contractors of the Housing Authority. Landlord shall have discretion to consider all the circumstances, including the seriousness of the offense, the extent of participation by family members, and the effects the eviction would have on family members not involved. In appropriate cases, Landlord may permit continued occupancy by remaining family members and may impose a condition that family members who engaged in the activity will not reside on or visit at the dwelling Unit or on any Housing Authority property. Landlord may require a family member who has engaged in the illegal use of drugs or alcohol to present evidence of successful completion of a treatment program as a condition to being allowed to reside in the dwelling Unit.
 7. Notice to Post Office. When Landlord evicts an individual or family from the dwelling Unit for engaging in criminal activity, including drug-related activity, Landlord shall notify the local post office serving the dwelling Unit that such individual or family is no longer residing at the Housing Authority.

The Tenant shall be allowed to copy any such document at the Tenant's expense. A notice of Lease Termination shall inform the Tenant of the Tenant's right to examine documents concerning the termination of tenancy or eviction, and if Landlord does not make such documents available for examination or review, then Landlord may not proceed with the eviction until the documents are made available.

L. PROVISION FOR MODIFICATIONS

The Lease must be executed by the Landlord and Tenant, except for automatic renewals of the Lease. The Lease may be modified at any time by written agreement of the Tenant and the Landlord. The Lease will be automatically modified by a change in policy or procedure by Landlord after proper posting. The terms of the modifications to the Lease shall be deemed to be incorporated into this Lease without the need for Landlord and Tenant to execute a new Lease.

M. ACCOMMODATION OF PERSONS WITH DISABILITIES

For all aspects of this Lease and grievance procedures, a person with a disability shall be provided reasonable accommodation to the extent necessary to provide the disabled person with an opportunity to use and occupy the dwelling Unit equal to a non-disabled person. Landlord hereby provides notice to each Tenant that the Tenant may, at any time during the tenancy, request reasonable accommodation of a disability of a household member, including reasonable accommodation so that the Tenant can meet the Lease requirements or other requirements of tenancy as provided in Lease Part II, F.9.

N. MISCELLANEOUS

1. Headings. Paragraph headings appearing in this Lease have been inserted for the purpose of convenience and ready reference only. They do not purport to and are not to be deemed to define, limit or extend the scope or intent of the paragraphs to which they appertain or to be inapplicable to other paragraphs in the Lease.
2. Waiver. No delay or failure by Landlord in exercising any right under this agreement, and no partial or single exercise of any such right shall constitute a waiver (post or prospective) of that or any other right, unless otherwise expressly provided herein.
3. Substantial or Material Breach of Lease. The characterization by Landlord that the failure of a Tenant to comply with a particular provision of the Lease is a substantial or a material Breach of Lease shall not serve to limit Landlord's right to contend that other breaches of Lease are substantial, material or sufficient to warrant an eviction.

POLICY FOR SAFETY AND SECURITY IN PUBLIC AND ASSISTED HOUSING

The 1996 Extender Act gives the Housing Authority new authority to deny occupancy on the basis of illegal drug-related activities and alcohol abuse when such abuse leads to behavior that threatens the health, safety or peaceful enjoyment of the Housing Authority property by other residents.

Evictions are civil, not criminal, matters. In order to terminate a lease and evict a tenant, a criminal conviction or arrest is not necessary, and the Housing Authority need not meet the criminal standard of proof beyond a reasonable doubt in eviction proceedings. Criminal activity is cause for eviction even in the absence of conviction or arrest. Tenants have an obligation to assure that neither they nor any member of their household or guest or other person under their control will engage in prohibited drug-related or other criminal activities. Marijuana, including medical marijuana, is illegal under federal law. The use, possession or distribution of marijuana, in any amount and without regard to the use for which it is intended, is prohibited and cause for eviction.

The State of MD has promulgated laws known as the “Good Samaritan Act” protecting people seeking help for victims who overdose on drugs or alcohol from criminal prosecution under specific circumstances. Notwithstanding the fact that certain protections from criminal prosecution exist, activity involving the use of illegal drugs is a violation of the lease for which a tenant can be evicted.

The use, possession, or distribution of paraphernalia used to ingest controlled dangerous substances (CDS) is also a violation of the lease which can lead to termination.

To protect the safety and security of public housing, the Housing Authority will consider the effects of alcohol abuse by residents in the public housing communities. If the Authority determines that a person’s abuse or pattern of abuse of alcohol may interfere with the health, safety, or right to peaceful enjoyment of the Housing Authority property by other residents the Authority will proceed with eviction procedures. The Housing Authority will handle these cases on an individualized basis and will exercise reasonable discretion in light of all of the relevant circumstances.

Persons on the Housing Authority property that are involved in drug-related or other criminal activities or any activities that create an atmosphere that may interfere with the health, safety, or right to peaceful enjoyment of the residents will be issued a No Trespassing Letter and/or charges will be brought against them in Washington County District Court.

Comprehensive background checks will be conducted on all applicants that include screening for drug-related and any criminal activity. Police and court records will be reviewed along with credit and payment histories, and landlord references, and checking with probation officers, parole officers, and local social service providers. Screening will be conducted on all appropriate members of the applicant household. Applicants that do not pass the screening process and pose a threat to the life, health, safety, or peaceful enjoyment of residents will be considered ineligible for housing with the Housing Authority. Each applicant will be considered on a case by case basis taking into account the extent of criminal activity and any additional factors that might suggest a likelihood of favorable conduct in the future.

COMMUNITY SERVICE AND SELF-SUFFICIENCY

Community service offers public housing Tenants an opportunity to contribute to the communities that support them.

(24 CFR 960.601-960.609) (Section 512 of the 1998 Act Amending Section 12 of the 1937 Act)

I. GENERAL: (960.603)

Service requirement – In order to be eligible for continued occupancy, except for any family member who is an exempt individual, each adult (an adult is a person eighteen 18 years or older) family member must either:

- A. contribute eight (8) hours per month of community service (not including political activities) within the community in which the public housing community is located, or
- B. participate in an economic self-sufficiency program unless they are exempt from this requirement or
- C. Perform 8 hours per month of combined activities as described in paragraphs (1) and (2)

Family violation of service requirement. The lease shall be renewed automatically for all purposes, unless the family fails to comply with the service requirement. Violation of the service requirement is grounds for nonrenewal of the lease at the end of the twelve (12) month lease term, but not for termination of tenancy during the course of the twelve (12) month lease term.

II. EXEMPTIONS:

The following adult members of Tenant families are exempt from this requirement.

Family members who are sixty-two (62) or older

Family members who are blind or disabled

Family members who are the primary care giver for someone who is blind or disabled

Family members engaged in work activities

Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work and who are in compliance with that program

Family members who are employed at least thirty (30) hours per week at minimum wage, including wages, tips or other compensation

III. NOTIFICATION OF THE REQUIREMENT (960.605)

- A. All adult family members who are not exempt from the community service requirement shall be identified by the Housing Authority.
- B. All such family members shall be notified of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Housing Authority shall verify such claims.
- C. The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

IV. VOLUNTEER OPPORTUNITIES

- A. Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance Tenant self-sufficiency, and/or increase the self-responsibility of the Tenant within the community.
- B. An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fair, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).
- C. The Hagerstown Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

V. THE PROCESS

At the first annual reexamination on or after October 1, 1999, and each annual reexamination thereafter, the Hagerstown Housing Authority will do the following:

Provide a list of volunteer opportunities to the family members

Provide information about obtaining suitable volunteer positions.

Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.

Third-party certification. A family member who is required to fulfill a service requirement must provide signed certification to the Housing Authority by the organization that the family member has performed those qualifying activities.

VI. NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

VII. OPPORTUNITY FOR CURE

The Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to contribute to community service for as many hours as needed to comply with the requirement over the past twelve (12) month period. The cure shall occur over the twelve (12) month period beginning with the date of the agreement and the Tenant shall at the same time stay current with that year’s community service requirement. The first hours a Tenant earns goes toward the current commitment until the current year’s commitment is fulfilled.

VIII. COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENTS

Tenants who are required to report under the Community Service Requirements must return the “Volunteer Hours Verification” form monthly to the Housing Authority Central Office.

IX. COMMUNITY SERVICE – FAMILY SELF-SUFFICIENCY

Refusal of transfer at the request of the Housing Authority may result in termination of the lease. The Tenant will be entitled to grievance rights.

Tenants shall bear their own moving costs associated with transfers. An exception may be made for the cost of displacement of Tenants due to demolition, sale or acquisition, or rehabilitation of a Unit. These costs are hereinafter collectively referred to as “displacement costs.” Payment of any displacement costs by the Tenant or the Housing Authority will be determined by the Executive Director or Director of Housing in accordance with 49 CFR Part 24 The Uniform Relocation Act; HUD Handbook 1378 CHG-4 “Tenant Assistance Relocation and Real Property Acquisition”, in addition to Federal and State laws.

Another exception would be if a Tenant is transferred as a reasonable accommodation request or if the vacant Unit is offered to a current Tenant of the same community that required the accessibility features of the accessible Unit and who is currently occupying a Unit not having accessible features. The Housing Authority must pay moving expenses to transfer a Tenant with a disability to an accessible Unit as an accommodation for the Tenant’s disability.

If a Tenant is or becomes eligible for a different type or size of dwelling Unit and an appropriate dwelling Unit becomes available the Tenant shall be given five (5) days to move.

II. REASONS FOR TRANSFER

Over-housed - A Tenant is considered to be “over-housed” when the family occupies a Unit with more bedrooms than are necessary to properly accommodate the family in accordance with the Housing Authority Occupancy Standards. The over-housed Tenants must transfer to a Unit with the proper number of bedrooms when notified by the Housing Authority that their Unit is needed and a Unit of the proper size is available.

Under-housed – A Tenant is considered to be “under-housed” when the family occupies a Unit that has: a) more than two persons per bedroom; b) two (2) persons of different generations in the same bedroom; c) unrelated adults who are not co-habitants in same bedroom; d) children (except infants under age one [1]) sharing a bedroom with an adult; e) children of opposite sex in same bedroom, except for infants up to age two (2); and f) children of the same sex with at least five (5) years age difference. Tenant must transfer to a Unit with the proper number of bedrooms when notified by the Housing Authority that a Unit of the proper size is available.

Reasonable Accommodation - In accordance with Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; Section 109 of Title I of the Housing and Community Development Act of 1974; and Title II of the Americans with Disabilities Act of 1990 the Housing Authority will provide reasonable accommodations to individuals with disabilities (a physical or mental impairment that substantially limits one or more major life activities) to the maximum extent feasible. Such accommodations include transferring a Tenant from one Unit to another Unit within a community, between communities or to assist a Tenant in locating an accessible Unit on the private market under the Section 8 Program.

Requests for a reasonable accommodation shall be reviewed on a case-by-case basis, but shall not require the Housing Authority to: 1) take any action that would result in a fundamental alteration in the nature of its program or activity or incur undue financial or administrative burden, or 2) make structural changes in existing housing facilities where other methods are effective in achieving compliance with federal, state, and local regulations. Requests shall be made to the Director of Housing. Tenant may be required to provide appropriate verification of disability from a qualified third-party professional, such as a primary care physician. Only the Executive Director or Director of Housing may approve transfers for reasonable accommodation.

Accessibility – In compliance with Section 504 Regulations, if a transfer is requested by a Tenant because a member of the family has a mobility or other impairment, the Housing Authority shall have the choice to modify the Tenant’s existing Unit or transfer the Tenant to another Unit with the features required upon availability. A non-disabled Tenant in a Unit with special features must transfer to a Unit without such features should a Tenant or applicant with disabilities need the Unit. If a non-disabled Tenant is notified by the Housing Authority that their Unit is required for a person with a disability the Housing Authority will pay moving expenses related to transferring that Tenant to another Unit.

Hate Crimes - Tenant may request to move if any one or more of Tenant’s family members have been a victim of one or more hate crimes (as described below), and Tenant’s fear of such crime has destroyed the family’s peaceful enjoyment of the Unit. The hate crime must have occurred recently or be of a continuing nature. The Hate Crime will be verified by the Housing Authority using third-party documentation from law enforcement agency or other appropriate agency, as determined by the Housing Authority.

A hate crime is defined as actual or threatened physical violence or intimidation that is directed against a person or his or her property, and that is based on a person’s race, color, religion, gender, sexual orientation, national origin, disability, or familial status.

Safety Moves – Tenant may request to move for the safety of a household member who is a witness to a crime and may face reprisals or who is subject to attack by persons engaged in criminal activity or who has been determined by a court to be a victim of domestic violence. A move requested for these reasons must be substantiated by appropriate documentation, such as a threat assessment or safety plan, by a law enforcement agency or other appropriate agency, as determined by the Housing Authority.

Live Near Work/Transportation – Tenant may request a transfer to be closer to work or to public transportation to alleviate a work-related transportation problem. Tenant must be able to verify that the Tenant or a household member has been at their present job for one year prior to transfer request.

Unit Rehabilitation or Tenant Displacement – A Tenant is required to move by Housing Authority because of displacement associated with demolition, sale or acquisition, or

rehabilitation of a Unit. A Unit is in need of rehabilitation if it is in need of repairs to correct defects hazardous to life, health, or safety; or rehabilitation or repairs are deemed necessary by the Housing Authority and cannot be performed with the Tenant residing in the Unit.

Elderly Unit to Family Unit – Single Tenant under age sixty-two (62) living in a building designed for elderly Tenants or persons with disabilities can request to be transferred to a one-bedroom family community Unit.

Family Unit to Elderly Unit – A single elderly or elderly couple in a family community may request to be transferred to a Unit in a community designed for elderly Tenants or persons with disabilities.

Elderly Tenant in Efficiency to One Bedroom – To encourage occupancy of efficiency Units elderly single persons living in efficiency apartments may request to be placed on a transfer list for a one bedroom.

Deconcentration – Tenant may request, or the Housing Authority may initiate a transfer to correct or avoid concentration of the most economically and/or socially disadvantaged families.

III. CONDITIONS FOR TENANT REQUESTED TRANSFERS

In all cases of Tenant-requested transfers, Tenants will be considered eligible for transfer based on the following conditions; a) All rent and other charges are paid up-to-date and the Tenant is current on any repayment agreement; b) Tenant is in good standing with the lease [To be in good standing, the Tenant must have no more than a total of three lease violations, regardless of the severity of the lease violation, within twelve (12) month prior to Tenant requesting a transfer. At the time of the offer of the Unit to a Tenant, the Tenant must have remained in good standing and have not had any additional lease violations]; c) Tenant's current Unit must pass transfer inspection; d) Tenant must be in compliance with community service requirements.

A Tenant who is determined ineligible for a transfer may reapply after three (3) months and must meet all eligibility requirements. These conditions may be waived by the Executive Director or designee for Housing Authority initiated transfers (for example, a single person is living alone in a three (3) bedroom Unit who does not want to move but is being required to move by the Housing Authority).

IV. SELECTION CRITERIA

To keep vacancy days to an acceptable level as required by the Public Housing Assessment System (PHAS), up to four (4) transfers may be made per month as follows:

Priority 1 Transfers - Take precedence over new admissions and over Priority 2 Transfers

- A. Tenant is required to move by Housing Authority due to Unit rehabilitation or Tenant displacement.
- B. Tenant or applicant requests an accessible Unit with special handicap features. Selection shall be made in the following order: 1) current Tenant of a Housing Authority Unit who meets the requirements for an accessible Unit; 2) eligible qualified applicants on waiting list needing an accessible Unit. [If no person with disabilities is available who needs an accessible Unit, the Housing Authority may offer the Unit, on a non-priority basis, to an applicant not needing an

accessible Unit. Except in extraordinary circumstances, it is not the intention of this policy for a Tenant who is not in need of an accessible Unit to transfer to an accessible Unit through a Tenant initiated transfer. An applicant not in need of an accessible Unit that moves into an accessible Unit will be advised that he/she will be required to move if a disabled applicant or current Tenant requires the accessibility features of the Unit.]

- C. Tenant who requires a transfer due to a Reasonable Accommodation as determined by Housing Authority.
- D. Tenant who is a victim of a verified Hate Crime. (as defined in section 16.2 of the ACOP)
- E. Tenant who requests to be transferred as a Safety Move. (as defined in section 16.2 of the ACOP)

Priority 2 Transfers

Depending on the number of Priority 1 transfers in any given month, and the number of vacancy days, the Housing Authority has the discretion to process Priority 2 Transfers or to select applicant from the wait list to fill vacant Units.

Two transfers from efficiency to one-bedroom Units may be made per month starting with oldest move-in date.

[All single, elderly applicants who are not users of wheelchairs or any other mobility device, or not in need of stationary oxygen tank that creates a space limitation, will be assigned an efficiency apartment. Any applicant who has taken possession of an efficiency apartment and would like to be placed on the transfer list for a one bedroom may do so at time of move-in or thereafter.]

Transfers from efficiency apartments to one-bedroom apartments will be made when:

- A. No couples are on the waiting list or in need of transfer.
- B. No persons are on the wait list (or existing Tenants) who are using a wheelchair, a walker or other mobility device, a stationary oxygen tank, or in need of special features only available in handicap Units.
- C. No Tenant with a documented medical reason is in need of a one-bedroom Unit.

Two transfers from the following other categories may take place per month in the following order of priority:

- A. Tenant is under housed. Priority is given to the most under-housed residing in the under-housed situation the longest (except that Tenant who is over-housed may be moved first to make Unit available to the under-housed family)
- B. Tenants who are over-housed. Priority is given to the most over-housed residing in the over-housed situation the longest (this may be waived by management to avoid a vacancy problem and to maintain full occupancy).

- A. Live near work or public transportation to alleviate a work-related transportation problem
- D. Tenant requested moves associated with the deconcentration of economically and socially disadvantaged families.
- E. All other Tenant requested transfers.

If this fourth (4th) Judgment of Possession is granted, the Tenant will be evicted regardless of whether the Tenant pays the rent prior to the scheduled set-out.
- E. Repeated late payment of a Repayment Agreement, which is defined as failure to make payment prior to the issuance of the *Notice of Late Payment of Repayment Agreement*.

Denying access and failing to prepare for extermination include but are not limited to cluttered rooms, poor housekeeping, unruly pets and latched doors.
- L. Violation of any provisions of this lease resulting in a material Breach of Lease as determined by Landlord based on the seriousness of the offense or offenses, which may include one violation or the combination of one or more violations of the Tenant Obligations.

III. ABANDONMENT POLICY

Upon the abandonment of the Dwelling Unit, the Tenant appoints Landlord and/or Landlord's employees, as Tenant's agent, to remove all personal property of whatever nature, including furniture and equipment left in or about the Dwelling Unit. Landlord shall inventory the property of the abandoned Dwelling Unit prior to removal and shall have the making of the inventory witnessed. The Tenant hereby further appoints Landlord and/or Landlord's employees, as Tenant's agent(s), to hold the said property for a period of thirty (30) calendar days, and, if not claimed by the Tenant within such time, after the Tenant has abandoned the Dwelling Unit, then Landlord is hereby authorized to donate said property to a charitable institution or otherwise dispose of said property.

IV. FORECLOSURE OF RIGHT OF REDEMPTION

The Housing Authority will request the Court to foreclose the right of redemption on any Tenant against whom the Housing Authority has received three (3) judgments for non-payment of rent in a twelve (12) month period. This means that if the Housing Authority files an action for non-payment within this same twelve (12) month period and later receives a judgment, the Tenant will be evicted as a result of the fourth (4th) judgment.

V. EVICTION SET OUT PROCEDURE

The Housing representative and the Maintenance Department will meet the court representative at the scheduled eviction set out procedure. The court representative must be present for the Housing Authority to begin the set out. The Tenant may pay the rent up to the time the Housing Authority arrives to do the set out unless the court has ordered No Right of Redemption or the eviction is for breach of lease or tenant holding over action. If No Right of Redemption or a judgment of possession in a breach of lease action or tenant holding over action is ordered, the eviction will continue regardless of payment. Housing Authority staff will not wait for money or receipts. If tenant is eligible to pay rent to redeem the property but does not have money (cash or money order) or a receipt the set out will begin.

All items will be set out, except food, glass, knives, medicines and flammable substances. Tenants may obtain those items within twenty-four (24) hours by contacting the Maintenance Department. Items not claimed will be taken to county landfill following the twenty-four (24) hour period.

Items will be set on the public curb for twenty-four (24) hours, at which time, what is remaining will be taken to the County landfill.

The goal of the informal conference is to attempt to resolve the grievance without a formal grievance hearing. - D. Hearing Prerequisite. All grievances shall be personally presented either in writing or orally in accordance with the procedures for informal conferences set forth in the Informal Settlement of Grievance section as a prerequisite to a Grievance Hearing., If however, the complainant shows good cause to the Hearing Officer why he or she failed to proceed in accordance with procedures for informal conference, the provisions of this subsection may be waived by the Hearing Officer.

If the complainant or the Housing Authority fails to appear at a scheduled hearing, the Hearing Officer may make a determination to postpone the hearing, for a period not to exceed five (5) working days, or may make a determination that the party failing to appear has waived the right to a Grievance Hearing. Both the complainant and the Housing Authority shall be notified of the determination by the Hearing Officer within five (5) days, provided that a determination that the complainant has waived the right to a hearing shall not constitute a waiver of any right the complainant may have to contest the Housing Authority's disposition of the grievance in an appropriate judicial proceeding.
- E. At the hearing, the complainant must first demonstrate that he or she is entitled to the relief sought. The Housing Authority must then show how the Tenant failed to act in accordance with the terms of the Lease or the Housing Authority's rules, policies or procedures and that the Housing Authority's action is justified.
- F. - B.  - 1. The grievance does not concern Housing Authority action or failure to act regarding the lease or Housing Authority regulations, rules, or policies which adversely affect the Tenant's rights, duties, welfare, or status; or

2. The decision of the Hearing Officer is contrary to applicable Federal, State or Local law, HUD regulations or requirements of the Annual Contributions Contract between HUD and the Housing Authority.
- C. A decision by the Hearing Officer or Board of Commissioners in favor of the Housing Authority or which denies the relief requested by the complainant in whole or in part shall not constitute a waiver of, nor affect in any manner whatever, any rights the complainant may have to a trial *de novo* or judicial review in any judicial proceedings, which may thereafter be brought in the matter.

Withholding of Deposit. Upon the earlier of the termination of the lease or the removal of the pet, Landlord may withhold from the Pet Security Deposit to offset any damage to the property reasonably attributed to the pet. Tenant is required to give a minimum thirty (30) day written notice of the intent to vacate at the end of the initial twelve (12) month lease term. At move-out, if the Tenant notifies Landlord by certified mail of the Tenant's new address and date of moving, Tenant will have the right to be present when Landlord inspects the Dwelling Unit. The notice must be mailed at least fifteen (15) days prior to date of moving. Landlord will then notify Tenant by certified mail of the time and date of the inspection. If Landlord withholds any part of the Pet Security Deposit, within forty-five (45) days after termination of the tenancy or removal of the pet, Landlord shall send by first class mail to Tenant's last known address, a written list of the damages claimed, and costs actually incurred.

Tenant Ejected or Evicted or Abandoning. Where Tenant has been evicted or ejected for breach of Lease, or has abandoned the dwelling Unit prior to termination of the Lease, the procedures for return of the Pet Security Deposit are as follows: a) within forty-five (45) days after leaving the dwelling Unit, Tenant shall send to Landlord, by first class mail a request for return of security deposit, and inform Landlord of Tenant's new address; b) within forty five (45) days of receipt of such notice, Landlord shall send to Tenant by first class mail a written list of the damages claimed together with a statement of the costs actually incurred and shall return to the Tenant the Pet Security Deposit with simple interest, paid at the same rate required by Maryland Law on Residential security deposits in effect at the time the refund is due. Interest is paid only on security deposits of Fifty (\$50.00) or more, accruing at six (6) month intervals from the day the Pet Security Deposit was given, less any damages rightfully withheld. If Landlord fails to send the list of damages required, the right to withhold any part of the Pet Security Deposit for damages is forfeited.

If a Tenant fails to remove snow/ice within twenty-four (24) hours, the Housing Authority may do so and charge the Tenant.

XX. STORAGE STANDARDS

In general, it is the Housing Authority's intent that the leased apartment be utilized in a form and physical manner in which it is intended. That the Unit is used primarily as a safe and decent dwelling for Tenant "habitation" (as opposed to a bulk storage area) and that storage of an acceptable and "normal" quantity of items is mainly limited to the properly designated space for such items – e.g. Closets, pantries, exterior storage bins, etc. --- in order to minimize safety hazards associated with fire, tripping, accessibility, etc. It is noted that storage of excessive quantities of refuse and materials (cardboard boxes, paper, etc.) additionally contributes to the presence and infestation of pest insects (roaches, spiders, flies, etc.).

GENERAL FLOOR AREA –

Miscellaneous "floor storage" of items neatly packaged and arranged so as not to impede normal access throughout, along with egress to or from, the apartment is permitted within acceptable

limits as listed herein. Electric panels, appliances and plumbing fixtures must be accessible for use and servicing. Floor storage of items shall not block doorways, window egress, bathroom/closet access or general area of travel.

Miscellaneous “floor storage” is material (i.e.: boxes, bags, hampers, containers, etc.) which is stored outside assigned storage spaces (pantries, closets, storage containers) in other areas normally viewed as living spaces (living rooms, bedrooms, kitchens and bathrooms).

Acceptable miscellaneous floor storage is viewed as material NOT EXCEEDING fifteen percent (15%) of square footage living space or exceeding three feet in height. (Pantry and closet areas excluded).

KITCHEN AREA

COUNTER AREA

Storage of kitchen utensil and supply items only at the kitchen area, NOT blocking GFCI receptacle outlets. Counters are primarily a workspace.

STOVE AREA

NO storage of combustible materials on the stovetop surface or in close proximity to the stove burners.

PANTRY AREA

Additional storage of miscellaneous items along with food and kitchen items is permitted so long as such storage is neat and contained within the door opening area. Pantry doors, where applicable, must remain operable. Shelving area must be accessible for use.

LIVING ROOM

This area is primary living space, as opposed to storage area. However, minimal storage of miscellaneous items is permitted provided it is placed in a neat manner at appropriate wall areas. See “general floor area” limitation listed above.

BEDROOM AREA

CLOTHES CLOSET AREA

Storage of items is limited to available floor or shelf capacity within the door opening area. Closet doors **MUST** be operable. All items are to be neatly stacked or placed.

BATHROOM AREA

No storage of items is permitted on the commode or within the bathtub/shower areas, which would limit their intended use and purpose.

EXTERIOR BALCONY (Hi-Rise)

See Section 20.1 Balconies at Walnut and Potomac Towers

EXTERIOR PATIOS (Family)

For aesthetic and safety purposes all patio items not used on a recurring basis should be stored in exterior metal storage sheds if provided. Acceptable storage items at rear yard patio areas include covered trash receptacles, patio furniture, one barbecue grille and operable lawn equipment. Nonacceptable stored items include automobile tires, rusted or inoperable lawn equipment, cardboard and paper material, plastic trash bags, etc.

XXI. TELEVISION/TELEPHONES

- A. Tenants are encouraged to contract with the local cable service. Cabling and outlets may only be installed by the local cable company or their subcontractors and must comply with the Housing Authority's policies.
- B. Tenants must comply with the Satellite Dish TV Antenna Policy, see paragraph 20.19
- C. Tenants are not permitted to tamper with any TV or telephone wiring/cable within their Units that is not their property. Tenants may not access attic spaces.
- D. The Tenant must arrange for telephone service. This service is strictly between the Tenant and the telephone company. The Housing Authority does not supply or repair telephone jacks or wiring. Access to mechanical spaces required by the telephone company will be provided by the Housing Authority at no cost, provided twenty-four (24) hours advance notice is given and access is requested during regular business hours. Access shall not be given after hours or on weekends.

XXII. UNIT LANDSCAPING

- A. The Housing Authority will trim and maintain foundation plantings and planting beds. Tenants are not to trim plants.
- B. Tenants may plant flower strips along the front of planting beds. Any supplemental plantings must be properly maintained, watered, weed free, and neat in appearance. Improvements by Tenants may not interfere with mowing operations.
- C. Vegetable gardens are permitted only if the Housing Authority has issued written approval.
- D. Grounds must be returned to their original condition prior to the Tenant vacating the Unit.

XXIII. VANDALISM TO OCCUPIED UNITS

Tenants are responsible for all damage and vandalism to the Unit or Community caused by the Tenant, other members of the household, guests, or visitors.

XXIV. WATER

In order to conserve, all Tenants must promptly report any leaks or dripping faucets, hoses or fixtures to the Maintenance Department **301-733-6916**. Ensure all faucets are turned completely off when you are not drawing water.

XXV. WATERBEDS

Waterbeds are not permitted in Housing Authority communities due to the potential for leaks and property damage.

XXVI. AIR CONDITIONERS

Air conditioners furnished by the Tenant at the family communities must be properly installed and secure as determined by the Housing Authority. Panels must be finished to match the color of either the air conditioner or the window frame. Cardboard or unfinished plywood is unacceptable. Units must be compatible with existing electrical outlets.

Walnut Towers and Potomac Towers air conditioners may be installed by the Tenant. Potomac Towers air conditioners must be installed using an air conditioner port specifically designed for this purpose. The cost of the port is the Tenant's responsibility. The Tenant is responsible for a safe installation as determined by the Housing Authority. Tenants should contact the Maintenance Department for advice. Air conditioners must be compatible with existing electrical outlets.

Air conditioners must be removed at the time the Tenant vacates the Unit.

Window air conditioner units must be removed during heating season. Tenants will be notified through the newsletter of heating season and the date by which the air conditioner must be removed.

XXVII. WINDOW GLASS & SCREENS

Repair/replacement of window glass and screens is the Tenant's responsibility. The Maintenance Department will make the repair at the Tenant's expense or the Tenant has the option of having the repair made locally. All new work and materials must match existing.

XXVIII. WINDOW TREATMENT

The Housing Authority does not provide window treatment. In the interest of uniformity of appearance, Tenants in family communities must install window shades, blinds or draperies in all windows in the dwelling Unit. They are to be installed in a manner not to damage the window frame. Screws that are provided with the drapery rods and/or shades or blinds should not be substituted with nails or larger screws. It is the Tenant's responsibility to maintain these items in a manner that shall not deface the appearance of the community. Windows must be treated uniformly and maintained in a neat and orderly fashion at all times. White backing (exterior side) is preferred. Upon vacating the dwelling Unit, the window treatment shall be carefully removed.

Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

Emergency Transfers

Hagerstown Housing Authority (HHA) is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In

accordance with the Violence Against Women Act (VAWA),¹ HHA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.² The ability of HHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether HHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that HHA is in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify HHA's management office and submit a written request for a transfer to Hagerstown Housing Authority at 35 W. Baltimore Street, Hagerstown MD 21740. HHA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under HHA's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

¹ Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Confidentiality

HHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives HHA written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act For All Tenants for more information about HHA's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

HHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. HHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. HHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If HHA has no safe and available units for which a tenant who needs an emergency is eligible, HHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, HHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE or visit the online hotline at <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

X. COURT ORDERS/FAMILY BREAK-UP

Court orders. It is the Housing Authority's policy to honor orders entered by courts of competent jurisdiction affecting individuals assisted by the Housing Authority. This includes cooperating with law enforcement authorities to enforce civil protection orders issued for the protection of victims and addressing the distribution of personal property among household members in cases where a family breaks up.

XI. RELATIONSHIPS WITH SERVICE PROVIDERS

It is the policy of the Housing Authority to cooperate with organizations and entities, both private and governmental, which provide shelter and/or services to victims of domestic violence. If the Housing Authority staff becomes aware that an individual assisted by the Housing Authority is a victim of domestic violence, dating violence, sexual assault or stalking, the Housing Authority will refer the victim to such providers of shelter or services as appropriate. This Policy does not create any legal obligation requiring the Housing Authority either to maintain a relationship with any particular provider of shelter or services to victims of domestic violence or to make a referral in any particular case.

XII. NOTIFICATION (24 CFR 5.2005(a))

In accordance with VAWA 2013, The Housing Authority will provide written notification to Public Housing and Housing Choice Voucher applicants and Tenants concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance and, termination of tenancy or assistance at the following times;

- A. at the time an applicant is denied assistance or admission;
- B. at the time the individual is provided assistance or admission under the covered housing program; and
- C. at the time that any notification of eviction or notification of termination of rental assistance is issued.

The notification will also include the VAWA Certification Form described in Section 22.7(A) 1 above to be used as verification to the Housing Authority for any resident or applicant claiming protection under the Act.

XIII. RELATIONSHIP WITH OTHER APPLICABLE LAWS

Neither VAWA nor this Policy implementing it shall preempt or supersede any provision of Federal, State or local law that provides greater protection than that provided under VAWA for victims of domestic violence, dating violence, sexual assault or stalking.

XIV. AMENDMENT

This policy may be amended from time to time by the Housing Authority as approved by the Housing Authority Board of Commissioners.

- b. Temporary Resident Permits: The Temporary Resident Permit is a cardboard permit and hangs from the rearview mirror. It is intended to allow a driver to utilize Housing Authority parking lots temporarily; including, but not limited to, the following examples: to allow time for a new tenant to transfer an out-of-state registration; when a tenant's new vehicle displays temporary or out-of-state tags; when a tenant has temporary use of a vehicle which doesn't belong to them (i.e., rentals or loaners). Temporary Resident Permits will contain an expiration date dependent upon its use. It is the responsibility of the resident to seek a renewal of the Temporary Resident Permit prior to its expiration.
- c. Obtaining Permits: In order to obtain a Resident Permit or Temporary Resident Permit, the tenant must provide a valid, current registration card for the vehicle, along with their current driver's license. The state registration must be *in the tenant's name in the state of Maryland* in order to be issued a permit. A current state registration and driver's license are also required for issuance of a Temporary Resident Permit.
- d. Vehicles that are parked on Housing property that do not display a permit (resident or temporary) will *be cited and/or towed* in accordance with the provisions of this

Policy The tenant who registers the vehicle will be held responsible for infractions of the parking policy.

2. Non-Resident-Owned-Vehicle Permits:

In certain circumstances, the Housing Authority may issue a permit for a Non-Resident-owned vehicle with the presentation of a notarized statement from the registered owner that the vehicle will be primarily utilized by the resident. The Housing Authority reserves the right to refuse to grant a parking permit requested under these circumstances and may do so at its sole discretion.

B. Proper Registration Required: The vehicle will not be considered registered if the permit is not properly displayed in the designated place. For cars and trucks, the designated place is on the back of the rear-view mirror. For two-wheeled vehicles, including gas-powered scooters, the designated place is the right front fork. For Temporary Resident Permits, the hanging permit must be suspended from the rear-view mirror of the vehicle in a manner that makes it clearly visible through the windshield of a car or truck. For two-wheeled vehicles, a special sticker will be issued for mounting on the right front fork.

C. Non-Transferability or Altering of Permit: The decal or Temporary Resident Permit may not be placed on any vehicle other than the one for which it is issued. The decal or Temporary Resident Permit may not be altered or falsified. If there is evidence of either of these types of violation, the vehicle displaying the incorrect/altered decal or Temporary Resident Permit may be towed without notice, at the expense of the vehicle owner.

D. Temporary Parking Permits: Temporary parking permits may be issued to non-residents in certain circumstances at the discretion of the Hagerstown Housing Authority. By way of example, but not limitation: to identify vehicles belonging to legitimate caregivers; to identify a visitor's vehicle (at the visitor's request); for contractors working on Hagerstown Housing Authority property. In no circumstance will a temporary permit be issued for a period longer than six (6) months.

In order to assure adequate parking in the parking areas, no household will be allowed to register more than two (2) vehicles.

E. Visitor Parking

1. Some communities/buildings have spaces that are reserved for visitor parking. Residents are not to park in these spaces, and visitors are not to park in the general residential parking areas. Residents are responsible for their visitors and should inform them of this requirement. *Overflow parking for visitors and residents of these areas is on the city streets.*

2. There is a 24-hour limit on use of a visitor parking space and the vehicle must be moved every 24 hours. For visitors whose visitation is of sufficient duration to require approval from the Housing Authority, a visitor's parking permit is available on request and must be displayed as required. Visitor parking is also very limited in some areas. Residents with visitors of shorter duration who have vehicles should notify Security for special authorization allowing them to use resident parking when visitor parking is not available. Security shall be responsible for maintaining a log of vehicles that have special authorization. The host resident should be prepared to provide a description of the visitor's vehicle including the license plate number and parking location. Residents should be especially aware of this

requirement, because vehicles for which responsibility cannot be determined may be towed from Hagerstown Housing Authority property. **Please remember that there is a 24-hour limit on use of a visitor parking space.**

F. Handicapped Parking

All vehicles utilizing handicapped spaces must display a state-issued permanent plate or state-issued hangtag designating it as authorized to park in a handicapped space. If this requirement is not met, the vehicle may be towed. Having a handicapped designation does not exempt the vehicle from the registration process and policy.

G. Citations, Towing, and Loss of Parking Privileges

1. Citations are issued for violations of the parking policy. Some examples of violations are:
 - Unregistered vehicle
 - Transfer of permit [subject to immediate tow]
 - Parking in a reserved area
 - Unauthorized use of a handicapped space
 - Altering/falsifying permit [subject to immediate tow]
 - Parking in No Parking area (or area not marked as permitting parking)
 - Double-parking
 - Washing/Working on vehicle (where prohibited)
2. Vehicles which accumulate three (3) or more citations may be towed immediately upon the issuance of the third citation and on each subsequent citation. If the vehicle belongs to a resident, the resident's parking privileges may be suspended for a period of sixty (60) days during which time they will not be allowed to park on Hagerstown Housing Authority property. Residents will be notified in writing of the dates of the suspension. If a resident believes the suspension is unfair, they may file a written appeal with the Executive Director of the Hagerstown Housing Authority or his designee, within seven (7) calendar days of receiving the suspension letter. The notification letter will explain the appeal process. The resident will be notified of the decision on their appeal within (7) calendar days of consideration of the appeal. If a meeting is scheduled, the decision on the appeal will be issued within seven (7) calendar days of the meeting.
3. A vehicle with suspended parking privileges will be towed each time it is discovered on Housing Authority property after being suspended. Repeated violations during suspension may result in the resident's parking privileges being permanently revoked.
4. A vehicle belonging to a non-resident which has incurred three (3) or more citations, thereby showing a disregard for the Hagerstown Housing Authority's parking policies, may be towed upon the issuance of the third citation and for each subsequent violation.

VISITATION POLICY

A *guest/visitor* is defined as a person temporarily staying in the Unit any part of the day or night, without regard to the length of stay, with the consent of a tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant. The number of overnight visitors may not cause the total number of persons in the dwelling Unit to exceed the occupancy standards for the dwelling Unit as set forth in Section 13.2 of the Admissions and Continued Occupancy Policy (ACOP).

The tenant has the right to exclusive use and occupancy of the leased Unit by the members of the household authorized to reside in the Unit in accordance with the lease, including reasonable accommodation of their guests [24 CFR 966.4]. The head of household is responsible for the conduct of visitors and guests, inside the Unit as well as anywhere on or near Housing Authority's property [24 CFR 966.4].

- Visitors staying more than seven (7) consecutive days must obtain a visitor pass. The total number of visitation days, with or without a visitor pass, cannot exceed forty-two (42) cumulative visitation days in any twelve (12) month period. All visitors eighteen (18) years of age and older may be required to provide a photo ID.
- Visitor passes are issued at the discretion of the Authority and contingent on the applicant screening process.
- A family may request an exception to this policy for valid reasons (e.g. care of a relative recovering from a medical procedure or family member on military leave).
- An exception will not be made unless the tenant can identify and provide documentation to the satisfaction of Housing Authority, of the residence to which the guest will return at the conclusion of the visitation period.
 - Former residents who have been evicted for criminal or drug activity or disturbances within the last twelve (12) months are not permitted as overnight guests.
 - Under no circumstances will a person whose name appears on the Housing Authority No Trespass list be permitted as a guest.
 - Guests who represent the Unit address as their residence address for receipt of benefits or any other purposes will be considered unauthorized occupants. In addition, guests who remain in the Unit beyond the allowable time limit will be considered unauthorized occupants, and their presence will be considered by Landlord to be a substantial violation of a material term of the Lease.

The cumulative restriction does not apply to a Tenant with joint custody of a child when the Tenant is not the primary custodian of the child, but shares custody or familial visitation. In this case, the child will be considered a visitor of the non-primary custodian unless/until the child spends more than one-half (1/2) of the calendar year (cumulative) with the non-primary custodian (Tenant). If this is the case, the child is no longer considered a visitor, and the Tenant will be required to add the child to their lease. The Tenant must notify the Housing Authority of the presence of the non-custodial child within fourteen (14) days of the first visit, as well as the determined or anticipated terms of visitation. The non-custodial parent/Tenant shall be required to provide documentation of the terms of visitation/custody.

Fulltime college students who were part of the family prior to going to college but who have been removed from the Lease and who now live at college during the school year and who are not considered an unauthorized member of the household may visit for up to one hundred twenty (120) days per year without being considered a member of the household. In such cases the family will not be entitled to an additional bedroom and must submit to Housing Authority documentation that the student is currently enrolled in college, and must request and receive authorization from the Housing Authority for the planned dates of visitation (i.e., student days off within the academic calendar)

A full-time college student who is on the lease and is a member of the household is not subject to this paragraph.

Housing Authority will review the following types of documentation to help in its determination of a visitor's status:

- Absence of evidence of any other address could be considered verification that the visitor is an unauthorized occupant.
- Statements from neighbors, police reports and/or any other reliable source will be considered in making the determination.
- Use of the Unit address by the visitor for any reason could be construed as the Unit address being primary place of residence.

The burden of proof that the individual is an authorized occupant or visitor is entirely on the family. In the absence of such proof, the individual will be considered an unauthorized occupant and Housing Authority will consider this to be a substantial violation of a material term of the Lease and may take lease enforcement action against the Tenant.

SMOKE-FREE HOUSING POLICY

Walnut and Potomac Towers effective 12/01/2013
Family Communities effective 08/01/2014

I. INTRODUCTION

HUD and the Hagerstown Housing Authority are committed to providing healthy and safe living conditions for our residents. As stated in PIH Notice 2009-21 and again in PIH 2012-25 HUD strongly recommends and supports the idea that Housing Authorities implement no-smoking policies in all Public Housing Units. To that end, the Hagerstown Housing Authority is implementing a No-Smoking Policy which was phased into all communities beginning December 1, 2013, and is not fully in effect.

II. GENERAL POLICY

- A. After the effective dates, smoking will not be permitted on Housing Authority property except in areas designated for smoking. Smoking will not be permitted in housing Units, Common Areas, Administration building, community buildings, and playgrounds. The smoking ban applies to all residents, family members, applicants, guests, employees, contractors or other person(s) on Housing Authority property.
- B. The first phase of the No Smoking Policy will be implemented at Walnut and Potomac Towers beginning December 1, 2013. The family communities will be phased in at a later date. Notification to the residents of the effective date in those communities will be published in the newsletter, posted on community bulletin boards and fliers delivered to the individual Units.
- C. Smoking will be permitted at designated smoking areas and/or at locations which are a minimum of 25 feet from any building entrance, window, or a closed or semi-closed entryway, whether covered, top or side. Also, smoking is prohibited on a handicap ramp leading to a specific entrance regardless of distance to the building.
- D. Periodic smoking cessation classes will be scheduled for residents wishing to participate. Notification of such events will be published in the resident newsletters and/or announced at resident meetings. Participation is not required but is being offered to those tenants who wish to stop smoking.
- E. Any resident, family member, guest or other person in violation of the No-Smoking Policy will be deemed to be in violation of the material term of the lease and could face eviction.

The C. Williams Brooks Mid-Rise was designated smoke-free from inception and so does not fall under this policy. The Brooks lease already incorporates restrictions that mirror those above.
