**HAGERSTOWN HOUSING  
AUTHORITY WILL BE  
CLOSED ON FRIDAY, JULY  
4<sup>TH</sup> IN HONOR OF  
INDEPENDANCE DAY**

To remind you, Fireworks of any kind are prohibited on all HHA properties and are considered a lease violation. Dwelling lease Part II, Section G, Rule 14: Not to keep, maintain, manufacture, or distribute fireworks or other explosive material or discharge fireworks on or near the premises. Any tenant or guest in violation may be subject to a lease infraction

## BULK TRASH PICKUP SCHEDULE

Please set your items out **after 8:00 pm the night before** your scheduled day and have them on the curb **prior to 8:30 am on your scheduled pickup day**. This schedule will be strictly followed. Any bulk items set on the curb on days other than those listed for your community will result in a charge (\$60.00) to the resident. ***Scattered Sites, Gateway Crossing, and Housing Choice Voucher locations will be expected to observe the bulk pickup days published by the City of Hagerstown. Check the newspaper or call the City for dates.*** **Yard Waste Collection started Sunday, February 23, 2025, and will run through Friday, December 19, 2025.**

You may have your bulk items picked up on the following days of each month:

**1st Thursday: McCleary Hill**

**2nd Thursday: Parkside Homes & Douglass Court**

**3rd Thursday: Noland Village**

**4th Thursday: Frederick Manor**

## TRASH CONTAINERS

All trash cans and toters must be placed and kept in the rear of your unit. Containers must be moved after they are emptied on the day of pick-up to avoid a charge. You will be charged a minimum of \$33.48 if Maintenance has to move your container to the rear of your unit. As always, we appreciate your help in keeping our communities beautiful. ***Trash containers are not to be placed out before 4:00 pm on trash pick-up night at your community. DUE TO THE INDEPENDANCE DAY HOLIDAY ON FRIDAY, JULY 4, THERE WILL BE NO TRASH COLLECTION. NORMAL FRIDAY TRASH COLLECTION THIS WEEK WILL BE DELAYED ONE DAY.***

## MOWING SEASON

The mowing season is upon us again. Please be aware of the contractors as they mow the grass in your community. The contractors are responsible for performing their work in a safe manner. They have a difficult task to accomplish and need your help to keep track of small children. Please, for the safety of your children; help keep them away from the contractors doing the mowing. All communities will be mowed on **THURSDAY** unless it is raining. **FRIDAY WILL BE USED AS A RAIN DAY.**

## WADING POOLS/SWIMMING POOLS

Residents are reminded that wading pools and swimming pools are a violation of your lease. Not only are unattended pools unsafe but they damage the lawn and impede mowing.

## INSTALLING WINDOW AIR CONDITIONERS

When installing window air conditioners, be sure to install them in a safe and secure manner. Air conditioner units should be tilted away from the unit. This allows the condensation to run away from the wall and will help to prevent mold/mildew on the walls. The window air conditioner needs to be installed properly to prevent outside air from entering the unit. If the extendable panels are missing or damaged, air coming in from the outside will cause the room temperature to rise, keeping the air conditioner running. This can cause high electric bills. It is best to seal the openings with foam panels. Cardboard, pillows, and blankets are inefficient as they can fall out leaving the window open. ***According to the Dwelling Lease Part II, under Exhibit G, Section I., F, Residents of the high-rise buildings must put a container under the air conditioner to collect any condensation and empty as needed. Do not empty containers over the balcony. Failure to empty these containers could result in a follow-up visit from the maintenance department to correct the concern of overflow.***

- Do not purchase refurbished mattresses or couches.**
- Do not purchase furniture at a yard sale or flea market without carefully inspecting it first.**
- Never rent furniture or store anyone's furniture in your home.**

In an effort to reduce the number of high water bills, we kindly ask all residents to check their toilet(s) for signs of running water. Please pay close attention to the water in the toilet bowl **before** you flush. If you notice the water moving or hear it running, even slightly, your toilet may have a leak. Some leaks are silent and may only be visible as a slight ripple or movement in the bowl. If you observe any signs of a leak, **you must contact Maintenance immediately**. Failure to report a toilet leak in a timely manner may result in you being held responsible for the increased water charges. Thank you for your cooperation in helping us manage water usage and avoid unnecessary costs.

## HHA Smoking Policy Reminders

Below are a few reminders from our Smoking policy as a refresher. The complete Smoke Free Housing Lease Addendum was provided with your lease at the time of signing.

- The term “smoking” means inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, pipe, and include the use of any other tobacco product or plant product in any manner or in any form. Smoking also includes the use of an electronic cigarette.
- Resident and members of the Resident’s household shall not smoke anywhere in the unit, including balconies, in the building where the Resident’s dwelling is located, or in any of the common areas or adjoining grounds within 25 feet of the building.
- Residents are responsible to inform their visitors and guest of the Smoking Policy.

## Renters' Insurance - Why It Is A Good Idea

If you rent, your personal belongings will not be protected against loss or damage unless you have a renters insurance policy. Your landlord has insurance for structural damage to the building. However, this coverage does not extend to your personal property, nor does it protect you from being liable for damage you might cause to the building inadvertently (e.g., a kitchen fire or a plumbing mishap) or to others who are injured at your property (e.g., a trip and fall over toys or furniture).

### What does a renters insurance policy typically cover?

This type of policy:

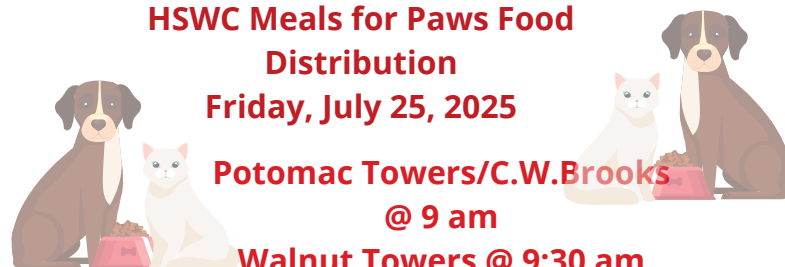

- covers loss or damage to household contents or personal possessions;
- provides for additional living expenses in the event of a covered loss that makes your home, apartment or condominium uninhabitable;
- provides you with liability coverage for injuries to others and/or their property while they are on your property; and
- includes medical payments to others.

## Recreational & Medical use of Marijuana

The Hagerstown Housing Authority wants to remind all tenants that even with Maryland legislation legalizing the recreational use of Marijuana (**July 1, 2023**), under the lease provisions, the use of Marijuana is a violation of the lease. The Housing Authority is federally subsidized and must adhere to federal law, which still classifies Marijuana as illegal (**Federal Controlled Substances Act of 1970**). If the federal law changes to support recreational use, smoking will remain prohibited in the units. This includes medical Marijuana as well as recreational use. If you have any questions, please contact the Security Office at 301-733-6911 Ext 154.

## STOP SMOKING RESOURCES/PATCHES AVAILABLE
